ON TOP OF THE WORLD

2001

Class History

From September of 1997 to the present, the class of 2001 was bound to succeed, through all of the "Quiet Storms" now thinking about our college dorms we will finally be relieved. We've watched each other grow from the "Pepper Seed" to the "Screech", from "Slew Dem" hoping that some of these teachers would actually teach. "The block (breezeway) was hot" but still had to be to class on the dot. Everybody shopped at Old Navy, had no doubt that that everybody was going to graduate, maybe? From "Puppy Love" to "Case of the ex" most of us didn't stray. Some of us struggled to make it to graduation to show and prove that we are going to be something someday. "Who's that girl" is what the boys want to know in the "Summer time" and all the girls start thinking their dimes. All of the parties made the girls "Shake it Fast" and even though they were only for four hours, we made them last.

But, were all adults now or that's what we would like to believe. For when we go our separate ways, friends forever I hope we'll stay. "I'm missing you" is all that is going to be said on that last and final day. Been preparing for this moment all of our lives, but "I Promise" you that we will always "Survive". From, "Let me get that neck" to "Keep it gangsta" we were all a big family. At the end of this year we will leave happily. None of us ever thought that the "Butterfly" would go out of style or why "Sauconys" lasted for a while. Why did the girls get roller wraps, and the boys want braids? But when prom time comes the girls will want updo's and the boys will want fades.

The end of the year is here, and we're already to go, at least that's what we say. But deep down in our hearts we all really want to stay. What are we going to do next year, that's the question everybody wants to know. Well I'll see you in ten years and I hope that you'll see me too.
